Northwest Community Farmers Market Connection

DBA Market in the Valley (Market in the Valley) is an outdoor market in which farmers, growers, food producers, artists, and crafters, are provided a community venue to sell their products. The Market allows consumers the opportunity to purchase directly from the local source to promote healthy eating and lifestyles and self-sustainability by supporting local agriculture and commerce, all while building local community ties.

The rules, policies, and guidelines followed at Market in the Valley may be changed, at any time, by the Market's Board of Directors.

Application and Fees

Those wishing to participate in the Market must complete an application form and return it with appropriate fees to Market in the Valley before consideration for participation in the Market.

Market in the Valley shall review and approve all complete vendor applications before a vendor can participate in the Market. Space at the Market and the items a vendor offers will be some, but not all of the factors considered in determining approval.

During selection of a vendor application, the Market shall not discriminate on the basis of race, color, creed, religion, ancestry, national origin, sexual orientation, disability, age, marital status, or status with regard to public assistance.

The Board of Directors of Market in the Valley will review all complete applications. Applicants will be notified of the status of their application by email. Those accepted to the Market will receive, along with their acceptance letter, an invoice for the remaining stall fee and a letter stating the items approved for sale.

An application is only deemed complete when the signed application, a non-refundable application fee of \$20 and a deposit of \$100 has been received by Market in the Valley. A partial application will not be accepted. **IF THE APPLICATION FEE AND DEPOSIT DOES NOT ACCOMPANY THE APPLICATION, YOUR APPLICATION WILL NOT BE REVIEWED NOR WILL IT BE RETURNED TO YOU.**

All applications must be received by March 1, 2019. The balance of the booth fee can be paid in two payments. One half of the remaining balance is due by April 1, 2019. Payment in full is due May 1, 2019. No late payments will be accepted. If you have a hardship, please provide a written payments plan. The plan will be reviewed by the Board of Directors of Market in the Valley and you will be notified. Failure to

make payment in full by May 1, 2019 will result in the space being forfeited and space will be made available to another vendor.

Should attendance (either vendor or customer) fall below expectations, the Board of Directors of Market in the Valley reserves the right to cancel the balance of the Market dates. Vendors will be reimbursed the vendor fee on a pro-rated basis.

The Board of Directors of Market in the Valley reserves the right to consider applications after the deadline, in order to fill the space available. Applications received after the May deadline will be considered if space allows. Vendors must submit a completed application along with the application fee and a one week deposit, before being considered. Vendors accepted after the application deadline must submit the full stall fee within 10 days of their notification of acceptance to the Market.
